Endorsement of **Dennis D Degenhardt** in Wisconsin Assembly District 58 Special Election

Today, **LMNWisconsin** Policy Director *Chris Nyland* released the following statement:

"Legal Marijuana Now Wisconsin is proud to announce our Endorsement of Dennis D Degenhardt for State Assembly. He will be an outstanding Representative for the Citizens of the 58th District and ensure the Hard-working, Family values of District 58 have a voice in Madison. As a Veteran, Dennis knows Safe, Legal, Regulated, Medical Marijuana would be beneficial to Veterans who need it, as well as many other Patients who should be allowed access with a Physician's recommendation. Mr. Degenhardt also understands cannabis is a safer alternative to the opiates and other drugs often used, and it could help reduce effects of the opioid/heroin crisis on our Communities. Dennis also supports a statewide referendum on Recreational Cannabis for Adult-use. Along with Economic Growth & Jobs it will bring \$100million's increase in Annual Tax Revenue. He also believes Cannabis should not be listed as a Schedule I drug, and that States where vibrant Legal recreational Cannabis Industries thrive, the Legal Purveyors should have access to Federally insured Financial Institutions, on a Federal level. Electing Dennis D Degenhardt, (Democratic Party Candidate), a Valuable Member of the Community, who Cares about People, to the State Assembly in District 58 on January 16, 2018 will be a Positive step FORWARD in making Wisconsin a better place to live, work, and visit for Everyone."
