Dear Senator Darling and Representative Nygren:

We are writing about the Joint Finance Committee Public Hearing and Executive Session on the lame duck legislation package, which is scheduled for tomorrow, beginning at 12:30pm. These hearings were noticed on Friday, November 30th at 5:34pm and 5:35pm, respectively.

We respectfully request that Majority Leader Scott Fitzgerald and Speaker Robin Vos be present to testify and answer the questions of committee members. Further, because this legislation impacts issues of serious constitutional concern, we request that any time limits on questions or testimony be removed. Finally, given the expediency with which you are attempting to push these bills through, we also request that the appropriate Legislative Council attorney be present on each subject area being addressed.

Thank you for your timely response to our concerns.

Sincerely,

Sen. Jon Erpenbach

Rep. Chris Taylor
