Rep. Murphy Re-appointed Chair of the Assembly Committee on Colleges and Universities

(Madison)...Rep. Dave Murphy (R-Greenville) has been re-appointed chair of the Assembly Committee on Colleges and Universities for the upcoming legislative session.

“I appreciate the confidence Speaker Vos has in my leadership. In this role, I will build on the successful legislation we passed last session to make college more affordable for Wisconsin students,” Murphy said. “The best way to support students now and in their future lives is to keep the costs of higher education low, and to make sure students finish degrees in a timely manner so they can enter the workforce.”

“Wisconsin’s higher education institutions are critical for the success of our economy, training a skilled workforce, and developing important research.” Murphy stated, “I look forward to working with my colleagues in the legislature and higher education leaders across the state on higher education matters.”

The remaining membership of Assembly committees will be named in the upcoming weeks.
