## **Rep. Gundrum Named Chair of Assembly Committee on Aging & Long-Term Care**

MADISON – Today, Representative Rick Gundrum (R-Slinger) was named the Chairperson for the Assembly Committee on Aging & Long-Term Care. Rep. Gundrum released the following statement on the appointment:

*“I am eager to serve as the next Chair for the Committee on Aging and Long-Term Care and look forward to continuing the body’s work on the wide range of issues currently being faced by our state’s older adult population.*

*My past experience as the Chair of Washington County’s Aging and Disability Resource Center Board and the Joint Washington-Ozaukee Board of Health has allowed me to establish familiarity with the subject matter that we will be exploring as a committee. During my time as a caregiver to my aging parents, I developed a stronger understanding of the services and systems that are vital to promoting the well-being of all individuals entering the latter phase of their adult lives.”*
