**Representative Lisa Subeck Blasts Governor Walker for Signing GOP Power Grab Legislation**

MADISON – Representative Lisa Subeck (D-Madison) blasted Governor Scott Walker after today’s bill signing of SB 883, SB 884, and SB 886:

“Governor Walker had a choice today. He could have ended his time in office on a high note by vetoing the GOP power grab. Instead, he signed the bills into law in their entirety, sealing his legacy as a leader who puts politics and partisanship ahead of the people.”
