Rep. Kind's Statement on La Crosse Becoming the First City in Wisconsin to End Homelessness among Veterans

La Crosse, WI – Today the La Crosse Collaborative to End Homelessness announced that it met the goal they set in September: to end homelessness for veterans. Below is U.S. Rep. Kind's statement on the announcement:

"I am incredibly proud that La Crosse has become the first city in Wisconsin to end homelessness among our veterans. I want to congratulate the over thirty La Crosse agencies, who worked collaboratively, to make sure that every local veteran has a roof over their head by Christmas day," said Rep. Kind. "In the coming months I look forward to working with the La Crosse Collaborative to End Homelessness to find ways to build on this progress."
