REPRESENTATIVE KEITH RIPP APPLAUDS WISCONSIN DEPARTMENT OF TRANSPORTATION SECRETARY MARK GOTTLIEB FOR HIS SERVICE TO THE STATE OF WISCONSIN

Madison – State Representative Keith Ripp (R-Lodi) released the following statement in response to Wisconsin Department of Transportation Secretary Mark Gottlieb’s resignation effective January 6, 2017:

“I would like to thank Secretary Gottlieb for his many years of public service to the state of Wisconsin. For the past 8 years, I had the privilege of working with Mark in the State Assembly and the Wisconsin Department of Transportation. I always appreciated his skilled leadership, well-rounded knowledge, and strong commitment to humbly serving the citizens of Wisconsin.

“As a State Legislator, Mark effectively crafted and passed numerous pieces of legislation that continues to benefit the entire state today. As the WisDOT Secretary, Mark went above and beyond to reform this state agency by saving more than \$1.5 billion dollars while implementing new standards that improved performance and investment in our state’s current and future infrastructure system.

“I am certain his valuable experience and dedicated work ethic will be truly missed in every capacity. I wish him, his wife Linda, and the rest of his family the very best in all their future endeavors.”
