[Madison, Wisconsin]: Pat Goss, Executive Director of the Wisconsin Transportation Builders Association, released the following statement in reaction to the resignation of Secretary Mark Gottlieb:

“Secretary Gottlieb was a passionate leader and champion for Wisconsin’s traveling public. As a professional engineer, Mark brought an expertise to the office that was valued by our membership.

“On behalf of WTBA, we thank Secretary Gottlieb for working with our members on industry related matters during his tenure. While we always didn’t see eye-to-eye, he afforded us an opportunity to listen to our concerns and respond in a timely and professional manner. We thank Secretary Gottlieb for service and efforts to better Wisconsin’s transportation systems.

“We congratulate Secretary Dave Ross on his appointment and look forward to working with him during the upcoming legislative session.”
