## **Governor-elect Evers and Lt. Governor-elect Barnes Announce Additions to Administration Team**

MADISON - Today, Governor-elect Tony Evers and Lt. Governor-elect Mandela Barnes announced three new members of the administration.

Mary Kolar will serve as Department of Veterans Affairs secretary; Kathy Koltin Blumenfeld will serve as Department of Financial Institutions secretary; and Brian Pahnke will serve as the state budget director.

"The team members we are announcing today will help our administration connect the dots on important issues facing our state," Tony Evers said. "I am confident they will make sure veterans and their families receive the benefits they have earned, work with the Wisconsin business and financial communities to encourage economic growth in all 72 counties, and help us build a state budget that reflects the priorities we heard at our budget listening sessions."

"We must move past the us-versus-them mentality and work together on the issues facing the state," said Mandela Barnes. "Adding these talented individuals to our team, who are committed to working together to solve problems, will help us move our state forward."

"I look forward to being part of a team that will increase our reach to and communications with all Wisconsin veterans to ensure they and their families receive the benefits they have earned," said Mary Kolar. "We will work to ensure veterans achieve their employment, education, and quality of life goals."

"I am grateful for the opportunity to serve alongside this talented leadership team," said Kathy Koltin Blumenfeld. "I am very optimistic about the future of our state and look forward to collaborating with our team, stakeholders, and leaders around the state to foster an environment of innovation and economic growth."

"The state budget has many challenges, but it is also a great opportunity to work in a collaborative manner to advance a budget that reflects the values Wisconsin citizens shared with us during the budget listening sessions around the state," said Brian Pahnke.
